Im so bored that i could die  
but at leist i'd leave a good looking corpse  
of their post martim poster child  
but they say he didnt mean a thing, it didnt mean a  
thing

were all looking for a reason cuzz we'ed love to kill  
ourselves  
like \_\_\_\_\_ or Hemmingway  
so i put on my best black turtle neck and ,smoke a  
dozen cigarettes  
then raise my eye brows all day

give me drugs, give me sex, give booze  
and i may forget, that theirs nothing to do under the  
sun  
make me deaf, make me dumb, any way to make my  
numb  
cuzz theirs nothing to do under the sun

just a glamorous little junkie  
that was a little freak a little funkier  
well at leist a good looking corpse is what id be  
old rock stars never die we just od

were all looking for a reason cuzz we'ed love to kill  
ourselves  
like \_\_\_\_\_ or Hemmingway  
so i put on my best black turtle neck and ,smoke a  
dozen cigarettes  
then raise my eye brows all day

give me drugs, give me sex, give booze  
and i may forget, that theirs nothing to do under the  
sun  
make me deaf, make me dumb, any way to make my  
numb  
cuzz theirs nothing to do under the sun

(guitar solo)

were all looking for a reason cuzz we'ed love to kill  
ourselves  
like \_\_\_\_\_ or Hemmingway  
so i put on my best black turtle neck and ,smoke a  
dozen cigarettes  
then raise my eye brows all day
