Back in the park, nearly dark  
What do I now hear, hark hark  
Is it really leprechauns have come back to rock and  
roll?  
Oh yes it's them out on the lawn  
Been so long since they've been gone  
Mother nature's leprechauns have come back to rock  
and roll

Um ba da da da da dia da  
Um ba da da da da dia  
Um ba da da da da dia da  
They've come back to rock and roll

Um ba da da da da dia da  
Um ba da da da da dia  
Um ba da da da da dia da  
They've come back to rock and roll

We'll see them rockin' and a rollin'  
They're wobblin' and a wiggling  
They're stompin' and a giggling  
They hear rock 'n' roll

Well yes it's them out on the lawn  
Been so long since they've been gone  
Mother nature's leprechauns have come back to rock  
and roll  
With a how you doing? Where you been?  
Oh it's so good to have you back my friends  
I know right now it was never meant to end  
They've come back to rock 'n' roll

Um ba da da da da dia da  
Um ba da da da da dia  
Um ba da da da da dia da  
They've come back to rock and roll

Um ba da da da da dia da  
Um ba da da da da dia  
Um ba da da da da dia da

They've come back to rock and roll

We'll see them rockin' and a rollin'  
They're wobblin' and a wiggling  
They're stompin' and a giggling  
And they're hear rock 'n' roll

Well, yes it's them out on the lawn  
Been so long since they've been gone  
Mother nature's leprechauns have come back to rock  
and roll  
With a how you doing? How you been?  
Oh it's so good to have you back again  
I know right now it was never meant to end  
They've come back to rock 'n' roll
