There's no one to call from a country town  
It's not a bad thing  
I don't have anyone lovely to call  
It's not a bad thing  
I'm not doing the dirty  
Breaking a vow  
I'm not a tom cat doing the rounds  
If I were, there'd be no one to complain

There's no one worried at home  
Ringing to see if I'll answer the phone  
Happy if after the show I'm alone

There's no one to call from a country town  
And say I got a tan  
When we played under the biggest pegoda  
This side of Japan  
And the mountain's are hazy  
Mist from the sea  
There's a good look at dolphins on the same wave as  
me  
Party child, I just miss you the same

There's no one worried at home  
Ringing to see if I'll answer the phone  
Happy if after the show I'm alone  
There's no one worried at home  
Ringing to see if I'll answer the phone  
Happy if after the show I'm alone  
Oh, I am alone

It's strange to be happy if your boyfriend's lonely, but  
that's the way they are.  
It's strange to be happy if your girlfriend is lonely, but  
that's the way we are.  
There's no one worrying.

Yeah, I'm not doing the dirty  
Breaking a vow  
I'm not a tom cat doing the rounds  
If I were there'd be no one to complain.

There's no one worried at home  
Ringing to see if I'll answer the phone  
Happy if after the show I'm alone

There's no one worried at home  
Ringing to see if I'll answer the phone  
Happy if after the show I am alone

There's no one worried at home  
Ringing to see if I'll answer the phone

There's no one worryin' at home  
Happy if after the show, I am alone  
There's no one worrying.

Oooh, oooh.
