I know your loved him a long time ago
Even now in my arms you still want him know
But darling this time Ist your memories die
When you hold me tonight Don't close your eyes

Chorus:

Don't close your eyes let it be me
Don't pretend it's him in some fantasy
Darling just once let yesterday go
You'll find more love than you'll ever know
Just hold me tight When you love me tonight
And don't close your eyes
Maybe I've been a fool holding on all this time
Lyin' here in your arms knowing he's in your mind
But I keep hoping some day that you'll see the light
Let it be me tonight and don't close your eyes

Chorus
