1st verse:

E

I'm no stranger to the rain

A

I'm a friend of thunder

E

Friend, is it any wonder lightning strikes me

B

I've fought with the devil

D

Got down on his level

A B

But I never gave in, so he gave up on me

2nd verse:

I'm no stranger to the rain

I can spot bad weather

And I'm good at finding shelter in a downpour

I've been sacrificed by brothers

Crucified by lovers

But through it all I withstood the pain

B E

I'm no stranger to the rain

Bridge:

A

But when I get that foggy feeling

E

When I'm feeling down

A E

If I don't keep my head up, I may drown

B

But it's hard to keep believing

D

I'll even come out even

A B

While the rain beats your hope in the ground

D B

And the night is really coming down

3rd verse:

I'm no stranger to the rain
But there'll always be tomorrow
And I'll beg, steal, or borrow a little sunshine
And I'll put this cloud behind me
That's how the man designed me
To ride the wind and dance in a hurricane
I'm no stranger to the rain
Oh no, I'm no stranger to the rain

(solo)

(repeat first three lines of 1st verse,
last five lines of 3rd verse)
