INTRO: E E E E A E E E E A

E A

Blown down the highway by two different winds

E A

Lord only knows when I'll see you again

C#m A

You're 'bout as close as the stars up above

B

You're my long distance love

A E A B

Kentucky Bluebird, I heard your song today

A C#m A

But when I try to touch you, you fly away

E A

Blue is a feeling I'm learning so well

E A

Turn on the TV in another hotel

C#m A

Turn down the volume and stare at the wall

B

God I wish you would call

A E A B

Kentucky Bluebird, I heard your song today

A C#m A

But when I try to touch you, you fly away

C#m A

How I hate the miles between us

E

They get longer each day

C#m A

I had this dream and you should have seen us

B

Holding each other and drifting away

A E A B

Kentucky Bluebird, I heard your song today

A C#m A

But when I try to touch you, you fly away

C#m E

You fly away.
