1st verse:

G

If I were alone in the desert

C G

Without a drink of water around

C G

On my knees and hands in that white, scorching sand

D

With the hot Sahara sun beating down

G

If I could be granted my wishes

C G

If anything I want could come true

C G

I know that it might sound funny

D G

But here's what I'd want you to do

Chorus:

C

Tell Lorrie I love her

G

Tell Lorrie I need her

D

Tell her everything would be okay

G

If I could just see her

C

Tell Lorrie I love her

G

Tell Lorrie I need her

Am

If I leave this old world

D G

Tell her she's the only girl for me

2nd verse:

If I were adrift on the ocean

A vessel with no sails or steam

Floating aimlessly on and endless sea

Hopelessly lost it would seem

If all of the fish in the water
Could echo my last dying plea
I know you might not understand it
But here's what I'd want it to be

(chorus)

If I leave this old world
Tell her she's the only girl for me
