G) Darling I can (G7)see the clouds (C) around you,
And in your (D)heart I know a sorrow (G)grows,
But if you weep I'll (G7)be right there to (C) hold you
Til each (D)tear you cry becomes a (G)rose.

(G)Dearest love, I know your heart is shattered,
And all my (D)words can offer no re(G)lease,
But my love will heal the pain you suffered,
And I'll be (D)here if you should turn to (G)me.

Chorus:

In deepest nights when memories stand together,
Lay with me and put your fears to sleep,
Cause there's no pain, no dream can put us under,
All the love that binds you to me.

Chorus:
