[Linesh Shesh spoken]
Only Silence remains, because (we) have to listen to
Him, have to listen to the silence have to experience
Him

[Asha Bhosle: Indian singing]

[Michael Stipe]
Fall over myself
don't mean to interrupt
I was not sleeping
Things I forgot
The footstool of God
That's how I feel it
I've righted myself
And folded my hands
As you've talked to God

I love the way you dream I love the way you dream I love the way you dream

I love the way you dream I love the way you dream I love the way you dream

I love the way you dream
I love the way you dream
I love the way you dream
Even my most base come play my sweet
My instrument
And even all my restraint my sweet
My aim is clumsy
And even if there's only one thing I want for you I want for you

I love the way you dream I love the way you dream I love the way you dream

I love the way you love the way you dream Want for you want for me

Want for you want for me Want for you

[Asha Bhosle: Indian singing]

Even if there's only one thing I want for you I love the way you love the way you dream Want for you want for me Want for you want for me Want for you

Dream dream dream etc...
