1) Did you really think that I would really take you back,  
let you back in my heart one more time, oh no no  
Did you think I'd still care  
that there be one feeling there  
Did you think you could walk back in my life, oh oh  
So you found you missed the love you through away  
Baby but you found it out too late, too late

Ref: And so you know the way it feels to cry  
the way that I cried  
when you broke my world in two  
And Baby I learned the way to break a heart  
I learned from the Best  
I learned from you  
oh baby now, I learned from you

2) I remember cold nights  
tears I felt would never dry  
how you shaded my world with your Goodbye, your  
Goodbye baby  
Would I sold my soul  
just to have you back again  
now you're the last thing on my mind  
now you say you're sorry and you changed your ways  
sorry but you changed your ways too late

Ref:

3) So in all you've got a sleepless nights  
when those tears are clouding of your eyes  
just remember it was you  
oh say'n goodbye, oh say goodbye
