We met these sisters Barlow's their last name  
Ordinary girls they don't live in the fast lane  
They don't rate with the guys that score  
Cause they don't flaunt what the boys want more  
They don't date they won't date they wanna see  
How they're gonna grow up - who they're gonna be  
But In the meantime they might feel unloved  
When all the girls around them are hooking up  
But I know for sure it's never popular to be pure  
And while some guys might be passing them by  
I think they've caught someone's eye

(Chorus)

All the boys in the band want a valentine from a Barlow  
girl  
Boys think they're the bomb cause they remind them of  
their mom (x2)

Everyone needs to be loved  
Everyone needs their own teenage fan club  
Any attention can feel like a good thing  
Dress to impress can be oh so tempting  
You can get noticed with your body  
Sexual hypnosis by being hottie  
You might feel like public property  
You might you might you shouldn't be  
No girl should feel she has to trade  
Her body for love or be an old maid  
And yes there are guys who are willing to wait  
Ask a Barlow girl on her wedding day...

(Chorus)

(Rap by KJ-52)

Excuse me, Barlow Girls, but there's something on my  
mind.  
See, I was just wondering, can I get a valentine?  
I saw you walking by, and something caught my eye  
There's something different about you 3-girls, I won't  
deny.  
All right, I can't lie, now you got it going on.

And all the guys in the band they be saying you da bomb.  
But it's not from how you dress or the clothes you putting on  
But you looking fresh for the reason that you holding on  
For your wedding night all right but let me keep it moving on  
Cause any girl can be a Barlow Girl, it's more than just a song  
Am I wrong? Don't think so  
So spare me the drama,  
You remind me of my momma

All the boys in the band want a valentine from a Barlow girl,  
The boys think they're the bomb, cause they remind them of their mom.

All the boys in the band want a valentineâ€¦!
