i'll be everything that i wanna be  
i am confidence in insecurity  
i am a voice just waiting to be heard  
i'll shoot the the shot, bang,  
that you hear 'round the world  
and im a one girl revolution  
im a one girl revolution  
im a one girl revolution

i wear a disguise,  
im just your average jane  
the super doesn't stand for model,  
but that doesn't mean im plain  
if all you see's how i look,  
you miss the superchick within  
and i christen you titanic  
underestimate and swim

and i'll be everything  
that i wanna be  
i am confidence in insecurity  
i am a voice just waiting to be heard  
i'll shoot the shot, bang  
you hear 'round the world  
and im a one girl revolution,  
im a one girl revolution  
im a one girl revolution

some people see the revolution,  
but most only see the girl  
i can lose my hard earned freedom  
if my fear defines my world  
i declare my independance  
from the critics and their stones  
i can find my revolution  
if i learn to stand alone

and i'll be everything  
that i wanna be  
i am confidence in insecurity  
i am a voice just waiting to be heard

ill shoot the shot bang  
you hear 'round the world

and im a one girl revolution  
im a one girl revolution  
im a one girl revolution

(rap)

and im a one girl revolution

and i'll be everything  
that i wanna be  
i am confidence in insecurity  
i am a voice just waiting to be heard  
i'll shoot the shot, bang,  
you hear 'round the world  
and im a one girl revolution  
im a one girl revolution  
im a one girl revolution

and im a one girl revolution  
im a one girl revolution  
im a one girl revolution
