It feels like I have lost this fight.
They think that I am staying down.
But I'm not giving up tonight--
Tonight the wall is coming down.

I am stronger than my fears.
This is the mountain that I climb.
Got 100 steps to go--
Tonight I'll make it ninety-nine.

One more,
Go one more, yeah, yeah!
Don't stop now--
Go one more, yeah, yeah!
One more,
Go one more, go one more,
Go one more, yeah yeah!

One more,
Go one more, yeah, yeah!
Don't stop now--
Go one more, yeah, yeah!
One more,
Go one more, go one more,
Go one more, yeah yeah!

I have everything to lose
By not getting up to fight.
I might get used to giving up,
So I am showing up tonight.

I am my own enemy,
The battle fought within my mind.
If I can overcome step one,
I can face the ninety-nine.

One more,
Go one more, yeah, yeah!
Don't stop now--
Go one more, yeah, yeah!
One more,

Go one more, go one more,
Go one more, yeah yeah!

One more,
Go one more, yeah, yeah!
Don't stop now--
Go one more, yeah, yeah!
One more,
Go one more, go one more,
Go one more, yeah yeah!

One more,
Go one more, yeah, yeah!
Don't stop now--
Go one more, yeah, yeah!
One more,
Go one more, go one more,
Go one more!

One more,
Go one more, yeah, yeah!
Don't stop now--
Go one more, yeah, yeah!
One more,
Go one more, go one more
Go one more, yeah yeah!

Yeah, yeeaah!
