This is my brand new day starting now
I let go the things that weigh me down
And rob me of the beauty that's to be found
And life all around

Pre-Chorus:

This is my prayer without ceasing
The negative releasing
And as I rise above
My burden is easing

Chorus:

I bring the pure flow, water around
The rocks of life won't pull me down
I bring the pure flow, drink so deep
The river of life my soul at ease
I bring the pure flow, water around
The rocks of life won't pull me down
I bring the pure flow, rising above
The storms of life to live and love

This is my brand new day in the light
Troubles rising up on the left and the right
I keep my eyes fixed on where I want to go
The rest will follow

Pre-Chorus

Chorus

This is my brand new day starting now
Letting go of the ways that I fall down
The old can be made new, the lost can be found
The lost will be found

Pre-Chorus

Chorus

My soul is at ease and I am free

Chorus
