She never slows down  
She doesn't know why but she knows that when  
She's all alone  
Feels like its all  
Coming down

She won't turn around  
The shadows are long and she fears if she cries  
That first tear  
The tears will not stop  
Raining down

So stand in the rain  
Stand your ground  
Stand up when its all crashing down  
You stand through the pain  
You won't drown  
And one day what's lost can be found  
You stand in the rain

She won't make a sound  
Alone in this fight with herself  
And the fears  
Whispering  
If she stands  
She'll fall down

She wants to be found  
The only way out is through everything  
She's running from  
Wants to give up  
And lie down

So stand in the rain  
Stand your ground  
Stand up when its all crashing down  
You stand through the pain  
You won't drown  
And one day what's lost can be found  
You stand in the rain

So stand in the rain  
Stand your ground  
Stand up when its all crashing down  
You stand through the pain  
You won't drown  
And one day what's lost can be found

So stand in the rain  
Stand your ground  
Stand up when its all crashing down  
You stand through the pain  
You won't drown  
And one day what's lost can be found  
You stand in the rain
