"We All Fall"

Visit "[We All Fall](#)" on MotoLyrics.com

we all fall sometimes
we all let ourselves down
sometimes there's nothing left
but to live with what's been done
and know you're not the only one who falls

we all fail sometimes
we all let someone down
sometimes there's nothing left
but to promise to ourselves
that next time we won't be the one to fail

i want to tell you you can go on
that beginnings come from ends
i still believe in you and so does God
He's the one who still believes in those who fail
He's the one who still believes in us who fall
