Dear diary i saw this guy at the show
he was singing to me at least i think so
all the world around me stopped when he said
(hi, what's up baby) he's the perfect guy
his hair his eyes oh i love his smile
when he opened the door knew he was worthwhile
he looked so good standing right next to me
so beautiful i know our children will be
this time i know its true love

[chorus]
he is the one that i've been waiting for
i promise to love him forever more
i've waited my whole life for the day i am his
i just know he's the
wonder what his name is

dear diary today i found a new guy
with a movie star face and the perfect lines
knight in shining armor hero to rescue me
he'll be so romantic just like in the movies
he'll play the role of a boyfriend for me
like in "Here on Earth" with leelea sobieski
there's just one problem something i might have
missed
he's a movie star he doesn't know i exist
this time i know its true love
[chorus]

dear diary i thought my dreams had come true
last week i found the one to give my heart to
told all my friends about him even tried his last name
didn't see that to him, it was all just a game
he seemed so nice i'd known him for a whole week
but my friends didn't like him didn't know him like me
no more crushes or rushes learn to be satisfied
with being single again...
-wait who's that guy? you are cute!
[chorus x2]

(Hey my names matt. i lost my phone number...can i

have yours?)
