I've got a feeling twenty one  
Is going to be a good year.  
Especially if you and me  
See it in together.

So you think 21 is going to be a good year.  
It could be for me and her,  
But you and her-no never!  
I had no reason to be over optimistic,  
But somehow when you smiled  
I could brave bad weather

What about the boy?  
What about the boy?  
What about the boy?  
He saw it all!

You didn't hear it [I heard it]  
You didn't see it. [I saw it]  
You won't say nothing to no one [I won't say nothing to  
no one]  
ever in your life. [never in my life]  
You never heard it [I heard it]  
Oh how absurd it  
All seems without any proof.

You didn't hear it [I heard it]  
You didn't see it [I saw it]  
You never heard it not a word of it. [I heard it, every  
word of it]  
You won't say nothing to no one [I won't say nothing to  
no one]  
Never tell a soul [Never tell a soul]  
What you know is the Truth. [What I know is the Truth]

Got a feeling twenty one  
Is going to be a good year.  
Especially if you and me  
See it in together.

Got a feeling twenty one

Is going to be a good year.  
Especially if you and me  
See it in together.

I had no reason to be over optimistic,  
But somehow when you smile  
I could brave bad weather

What about the boy?
