You talk about crazy affairs  
You talk about your life as though it mattered  
You get attention 'cos you block the stairs  
Bragging about some bottles you have shattered

Well I met a man who really lives  
He really does it all  
But what really matters is the heart he gives  
He makes your talk seem small

When a man is a man  
He doesn't act to a plan  
He don't have to perform like John Wayne in some B  
feature flick  
A man is a man  
When he can offer his hand  
Not afraid of appearing insane if he can't break a brick  
I know a man who's a man

Can't you sometimes crack a smile  
Do you think if you did we would run and tell  
I know one day your big villian style  
Will collapse as they turn the key in the door of your  
cell

I know a man who was once like you  
But he opened his heart  
No one is really bad right through  
He's just another part

When a man is a man  
And he drinks 'til he's canned  
He can drop to the floor, he can weep, we won't ask the  
price  
A man is a man  
He can fall he can stand  
We won't love him more if he keeps his soul on the ice  
I know a man who's a man

Every one of us is looking for fame  
He's a looker

He's a dresser  
He's a genius under pressure  
I know a man who could tighten your rein  
He's a father  
He's a brother  
He's a rock  
He's a lover

He's a man he's a man  
He doesn't act to a plan  
He don't have to get hitched to a train in some muscle  
beach trick  
A man is a man  
When he can offer his hand  
Not afraid of appearing insane if he can't break a brick  
Be a man who's a man
