Deaf dumb and blind boy  
He's in a quiet vibration land  
Strange as it seems  
His musical dreams  
Ain't quite so bad.

Ten years old  
With thoughts as bold  
As thought can be  
Loving life and becoming wise  
In simplicity.

Sickness can surely take the mind  
Where minds can't usually go,  
Come on the amazing journey  
And learn all you should know.

A vague haze of delirium creeps up on me  
All at once a tall stranger I suddenly see  
He's dressed in a silver-sparked glittering gown  
And his golden beard flows nearly down to the ground.

Nothing to say, and nothing to hear  
And nothing to see  
Each sensation makes up a note  
In my symphony.

Sickness can surely take the mind  
Where minds can't usually go,  
Come on the amazing journey  
And learn all you should know.

His eyes are the eyes  
That transmit all they know  
Sparkle warm crystalline glances to show  
That he is your leader  
And he is your guide  
On the amazing journey together you'll ride.
