we're on our own, cousin,  
all alone, cousin.  
let's think of a game to play  
now the grown-ups have all gone away.  
you won't be much fun  
being blind, deaf and dumb,  
but i'vw no-one to play with today  
do you know how to play hide-and-seek?  
to find me it would take you a week,  
but tied to that chair  
you won't go anywhere.  
there's a lot i can do with a freak  
how would you feel if i  
turned on the bath,  
ducked your head under  
and started to laugh?  
what would you do if i shut you outside,  
and stand in the rain  
and catch cold so you died

i'm the school bully!  
the classroom cheat.  
i'm the natiest playfriend  
you ever could meet.  
i'll stick pins in your fingers  
and tread on your feet...

maybe a cigarette burn on your arm  
would chane your expression  
to one of alarm.  
i'll drag you round by a lock of your haur  
or gice you a push  
at the top of the stairs...

i'm the school bully!  
the classroom cheat.  
the nasiest playfriend  
you ever could meet.  
i'll put glass in your dinner  
and spikes in your seat...
