Callin' out around the world  
Are you ready for a brand new beat?  
Summer's here and the time is right  
For dancing in the streets

There'll be dancing in Chicago  
Down in New Orleans  
Of the New York City

All we need is music, sweet music  
There'll be music everywhere  
There'll be swingin', swayin' and records playin'  
Dancing in the street

Oh, it doesn't matter what you wear  
Just as long as you are there  
So come on every guy, grab a girl  
Everywhere, around the world

There'll be dancing  
They're dancing in the street  
Way down in L.A.  
Every day they're dancing in the street

Let's form a big long line, get in time  
We're dancing in the street  
Across the ocean blue, me and you  
We're dancing' in the street
