

## Who, The "Dangerous"

Can you feel it? watching you in the darkness  
Touching you like a sickness  
Fear is taking control,  
The beach head is the street.  
In the gutter lies defeat.  
Fear is the key to your soul  
That makes you dangerous  
So dangerous to yourself

Can you feel it in the shadows?  
Watching you, touching you,  
Can you feel it in the shadows?  
Watching you, touching you  
Changing you into a mad dog.  
Howling at the moon.  
And you're so far out of tune  
Better learn how to sing.  
Fences, we put up our defences.  
Then we come to our senses.  
It may keep them out  
But it keeps us in  
And that makes us dangerous  
We're all dangerous to ourselves

This is a jungle, not illusion,  
Jungle city, in confusion,  
We are the next step in evolution,  
The new stone age, revolution.  
Back to the stone age, constitution  
No solution

Can you feel it in the shadows?  
Watching you, touching you,  
Can you feel it in the shadows?  
Follow you, swallow you.  
Can you feel it?  
Fear is the key.  
Can you feel it?  
Fear is the key.  
Can you feel it? Can you feel it?  
Fear is the key to your soul.
