

Who, The "Disguises"

I used to know everything about you
But today when I tried to point you out to one of my
friends
I picked the wrong girl again
Don't see you in the crowd anymore
I think it's you but I can't be sure
You're wearing disguises
Occasionally a girl surprises me
When she turns out to be you
Wearing disguises

I don't think you want me to see you ever again
And today I saw you dressed as a flower bed
Last week you had a wig on your head
Directing traffic in the street
And your shoes were too big for your feet
You were wearing disguises
Occasionally a girl surprises me
When she turns out to be you
Wearing disguises

[repeat first verse]
Wearing disguises
Wearing disguises
Wearing disguises
Wearing disguises
