Don't go and hide
Yesterday you were my girlfriend
If you do
My inside goes around and around in a whirlwind

There's a stone in my shoe
So I can't catch you up
My head's in a lion's mouth
Wants to eat me up
Right here today
Don't look away
I've always been true
And I still love you
So don't look away
There's a lot you can do
To get me away
You've got to stay
Don't look away
Don't look away

I once heard you say
If I ever was down you would help me
Now my head's being chewed up
You pretend that you don't see

There's a stone in my shoe
So I can't catch you up
My head's in a lion's mouth
Wants to eat me up
Right here today
Don't look away
I've always been true
And I still love you
So don't look away
There's a lot you can do
To get me away
You've got to stay
Don't look away
Don't look away

I've always been true

And I still love you
So don't look away
There's a lot you can do
To get me away
You've got to stay
Don't look away
Don't look away
Don't look away
Don't look away
Don't look away
