Visit "[Eminence Front](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The sun shines and people forget  
The spray flies as the speedboat glides, and people forget  
forget  
Forget they're hiding

The girls smile and people forget  
The snow packs as the skier tracks, and people forget  
Forget they're hiding

Behind an eminence front  
Eminence front, it's a put on  
It's an eminence front  
It's an eminence front, it's a put on  
An eminence front  
Eminence front, it's a put on, eminence front  
It's an eminence front  
It's an eminence front, it's a put on, it's a put on, it's a  
put on, it's a put on

Come and join the party, dress to kill  
Won't you come and join the party, dress to kill  
Dress to kill

Drinks flow, people forget  
That big wheel spins, the hair thins, people forget,  
forget they're hiding  
The news slows, people forget  
The shares crash, hopes are dashed, people forget  
Forget they're hiding

Behind an eminence front  
An eminence front, it's a put on  
It's just an eminence front  
An eminence front, it's a put on  
An eminence front  
An eminence front, it's a put on  
Eminence front  
It's an eminence front, it's a put on, it's a put on, it's a  
put on, it's a put on

Come and join the party, dress to

Come and join the party, dress to  
Come on join the party, dress to  
Come on join the party, dress to kill  
Dress yourself to kill
