

Who, The "Fragments"

Are we breathing out or breathing in
Are we leaving life or moving in
Exploding out, imploding in
Ingrained in good or stained in sin

Are we breathing out or breathing in
Are we leaving life or moving in
Are we breathing out or breathing in
Are we breathing in

We are a billion fragments exploding outwards
Like broken glass we damage even in defeat
We are tiny pieces falling now in red dreams
Like snowflake crystals building on the city streets

Snowflakes falling
Snowflakes falling
Snowflakes falling
Snowflakes falling

Are we the parts
Are we the whole
Are we the thoughts
Are we the soul

The parts of me this is true
The parts of me belong to you

Are we breathing out or breathing in
Are we leaving life or moving in
Exploding out imploding in
Ingrained in good or stained in sin

Are we the parts
Are we the whole
Are we the thoughts
Are we the soul

The parts of me and this is true
The parts of me, the parts of you

Belong to you and you
And you, and you
And you, and you
And you, and you
And you, and you
