She wasn't a fool, that glittering girl  
She followed the rules, that shimmering pearl

Said the rules Mama preaches  
Go down when they break  
The things Mama teaches  
You just gotta shake

But she wasn't a fool, that slender love figure  
She followed her rule and made money bigger  
She wasn't a fool, that shining young woman  
She followed her rule, she's crying for no man

Said the rules Mama teaches  
Go down when they're broken  
She explodes into peaches  
And cries when I've spoken

She wasn't a fool, that goddess of hell  
There are no mother's rules, she makes them herself

If I was down upon my knees  
To beg her, surrender up to me

Something inside her  
Told her she shouldn't  
Tried and alight her  
But the girl wouldn't

She wasn't a fool but love flowed from her face  
She's not scared of me, she's afraid of disgrace  
She wasn't a fool that female for our world  
She followed her rules, that glittering girl  
That glittering girl  
That glittering girl  
That glittering girl
