Heat Wave
Heat Wave

Whenever I'm with him
Something inside (inside)
Starts to burn and
and I feel with desire
Could it be a devil
Or is this just the way love's supposed to be?

[chorus:]
Its heat wave
Burning in my heart
can't keep from crying
Its tearing me apart

Sometimes he calls my name
sounds ghostly and strange
right then right here I feel that burning
now that funny feeling has
me amazed don't know what to
do it's like a Heatwave
burning in my heart can't
keep from crying
tearing me apart
I feel, yeah I feel
I feel this burning flame
This high blood pressure's got a hold on me
'is this is the way love's supposed to be

[chorus]

Oh yeah
Oh yeah

Oh yeah
Oh yeah

don't pass up this chance
it sounds like true romance
