I know you've deceived me, now here's a surprise  
I know that you have 'cause there's magic in my eyes

I can see for miles and miles and miles and miles and  
miles  
Oh yeah

If you think that I don't know about the little tricks  
you've played  
And never see you when deliberately you put things in  
my way

Well, here's a poke at you  
You're gonna choke on it too  
You're gonna lose that smile  
Beacuse all the while

I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles and miles and miles and  
miles  
Oh yeah

You took advantage of my trust in you when I was so  
far away  
I saw you holding lots of other guys and now you've got  
the nerve to say

That you still want me  
Well, that's as may be  
But you gotta stand trial  
Because all the while

I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles and miles and miles and  
miles  
Oh yeah

I know you've deceived me, now here's a surprise  
I know that you have 'cause there's magic in my eyes

I can see for miles and miles and miles and miles and  
miles  
Oh yeah

The Eiffel Tower and the Taj Mahal are mine to see on  
clear days  
You thought that I would need a crystal ball to see right  
through the haze

Well, here's a poke at you  
You're gonna choke on it too  
You're gonna lose that smile  
Beacuse all the while

I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles and miles and miles and  
miles  
and miles and miles and miles and miles

I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles  
I can see for miles and miles
