If you don't hear me how can I tell you?  
If you don't listen why should I speak?  
If you're indifferent, how can I reach you?  
Just 'cause you're angry don't assume I'm weak

Howlin' Wolf and Ol' Link Wray  
Dave Van Ronk and Doris Day  
Bobby Darin and Brownie McGee  
Elvis, Buddy and Eddie C

Music makes me, makes me strong  
Strong vibrations make me long  
I long for a place where I belong  
You will find me in this song

Who will walk through the Mirror Door?  
Will there be music or will there be war?  
Will we be rich, or will we be poor?  
Who will walk through the Mirror Door?

Who will walk through the Mirror Door?  
Will there be music or will there be war?  
Will we be rich, or will we be poor?  
Who will walk through the Mirror Door?

A thousand angels, a million children  
Fire and fear in a suicide eye  
Golden Stairway to a Zeppelin Heaven  
Rolling thunder under a New York sky

Frank and Ella, Ray, what I say?  
Johnny Cash and Johnny Ray  
Amadeus, Ludwig Van  
Henry, Johann and the Doo-Dah Band

We are here in celebration  
This music's gonna make us strong  
We climb up high to the golden station  
Curtis Mayfield ain't waiting long, get along

Who will walk through the Mirror Door?

Will there be music or will there be war?  
Will we be rich, or will we be poor?  
Who will walk through the Mirror Door?

Who will walk through the Mirror Door?  
Oh, will there be music or will there be war?  
Will we be rich, or will we be poor?  
Who will walk through the Mirror Door?
