

Who, The "Sound Round"

I'm young in my camper van
The world feels old and new
I fear the future man
As I take in the view

Don't know where to head to now
I give up going ahead
My friends are all dead now
Or stifled in the sand

Sound round, feel the ground
Feel the pulse that we have found
Breathe in, feel the spin
Where's the dream that we were in?

Sound round, feel the ground
Feel the pulse that we have found

Sound round, feel the ground
Feel the pulse that we have found
Breathe in, feel the spin
Where's the dream that we were in?

Sound round, feel the ground
Feel the pulse that we have found

I'm young in my camper van
The world feels old and new
I fear the future man
As I take in the view
