Two thousand years  
Two thousand years  
Two thousand years  
Two thousand years

I have waited  
To ask if I have loved you  
To know if I have served you  
To finally find the being  
To know if I could trade you

Two thousand years  
Two thousand years  
Two thousand years  
Two thousand years  
Two thousand years

Have I waited  
Then find I can't be perfect  
Not even a perfect sneak  
To know we are hated  
We suffered for my sake

Two thousand years  
Two thousand years  
Two thousand years  
Two thousand years  
Have I waited

And so I have the chance to love  
Ads you intended  
You really lived and died for me  
Is the waiting really ended?

Two thousand years  
Long years  
Long, long, long years  
Have I waited

Two thousand long, long years  
Two thousand long, long years

Two thousand long, long years
