We'll be fighting in the streets  
With our children at our feet  
And the morals, that they worship, will be gone  
And the men, who spurred us on,  
Sit in judgment of all wrong  
They decide, and the shotgun sings the song.

I'll tip my hat to the new constitution,  
Take a bow for the new revolution,  
Smile and grin at the change all around,  
Pick up my guitar and play  
Just like yesterday,  
Then I'll get on my knees and pray  
We don't get fooled again!

The change it had to come  
We knew it all along  
We were liberated from the fold, that's all!  
And the world looks just the same,  
And history ain't changed,  
'Cause the banners, they all flown in the last war

I'll tip my hat to the new constitution,  
Take a bow for the new revolution,  
Smile and grin at the change all around,  
Pick up my guitar and play,  
Just like yesterday,  
Then I'll get on my knees and pray  
We don't get fooled again!  
No, no!

I'll move myself and my family aside  
If we happen to be left half alive?  
I'll get all my papers and smile at the sky,  
For I know,  
that the hypnotized never lie  
Do ya?

Yeah!

There's nothing in the streets

Looks any different to me  
And the slogans are replaced, by-the-by  
And the parting on the left  
Is now parting on the right  
And the beards have all grown longer overnight.

I'll tip my hat to the new constitution,  
Take a bow for the new revolution,  
Smile and grin at the change all around,  
Pick up my guitar and play,  
Just like yesterday,  
Then I'll get on my knees and pray  
We don't get fooled again  
Don't get fooled again  
No, no!

Meet the new boss,  
Same as the old boss!
