I've got a feeling twenty-one
Is going to be a good year
Especially if you and me
See it in together

So you think twenty-one
Is going to be a good year
It could be good for me and her
But you and her, no never

I had no reason
To be over optimistic
But somehow when you smiled
I can brave bad weather

What about the boy?
What about the boy?
What about the boy?
He saw it all

You didn't hear it, you didn't see it
You won't say nothing to no one
Ever in your life, you never heard it
Oh, how absurd it, all seems without any proof

You didn't hear it, you didn't see it
You never heard it not a word of it
You won't say nothing to no one
Never tell a soul, what you know is the truth

I've got a feeling twenty-one
Is going to be a good year
Especially if you and me
See it in together

I've got a feeling twenty-one
Is going to be a good year
Especially if you and me
See it in together

I had no reason

To be over optimistic
But somehow when you smiled
I can brave bad weather

What about the boy?
