...and we go!

When I woke up on the sunset when it really should be  
dawn,  
I thought I had no brains...when I really had no brawn.  
Took it from the bottom, I should take it from the top,  
I had another thrill, had another thrill when I thought I  
had my lot

Well I don't know what I do because I do as I know,  
I gotta show for what I've got or I cannot find home.  
Whhhooooooooooooohhh

(Ya gotta) Deal with it, Deal with it.  
(Ya) Deal with it, Deal with it.  
(Ya) Deal with it, Deal with it.  
(Ya) Deal with it, Deeeeeeeeeeeal...

I rolled a thought around my eyes, it should be in my  
head,  
Got buried in Nevada...when I wasnt even dead.  
All around me were the adults asking kids for cash,  
When I saw a green police car, I thought I'd make a  
dash.

Well I don't know what I do because I do as I know,  
I gotta show for what I've got or I cannot find home.  
Whhhooooooooooooohhh

(Ya gotta) Deal with it, Deal with it.  
(Ya) Deal with it, Deal with it.  
(Ya) Deal with it, Deal with it.

(Ya) Deal with it, Deeeeeeeeeeeal...with it.

Ya Deal with it, woahohhooohh,  
Ya Deal with it, woahohhooohh,  
Ya Deal with it, woahooaooaooohoooooh,  
Ya gotta Deal with it, Deal, with it.

(Musical Interlude)

Take it to the bridge.....Let de'ladies rock!
