Can i just be something
Somewhere in your room
That you wont notice
Maybe I'll be paper
Or books thrown on your floor
Move me when you want to
Ill live where you put me
In your VCR
If i become a cassette
Or on top of your computer
If that's where i would fit
Then so be it
But things can't be perfect
All the time
That i know
Sometimes we just have to let some things go
I will not say one word
Ill just hang around
I wont annoy you at all
When you move out I'll stay
Until im thrown away
But then it wont matter

Things can't be perfect
All the time
That i know
Sometimes we just have to let some things go
Because
Things can't be perfect
All the time
That i know
Sometimes we just have to let somethings go
I promise to stop now
To stop now
I promise to stop now
To stop now
But things can't be perfect
All the time
That i know
Sometimes we just have to let some things go
Things can't be perfect
All the time

That i know
Sometimes we just have to let some things go
Letting go is my life
Ill be on my way
