I can speak when I want to
And pour my voice 'til it burns
Through the core of my own throat
I'll speak until the demands gone

You should be downstairs with them
You're wasting your time again

Listen I'm fine now
Listen I'm fine now
Listen I'm fine now

Listen I'm fine now
Listen I'm fine now
Listen I'm fine now

I don't want to talk right now
Thank you for your concern

I could speak 'til the world ends
To make up for all that I left out
I'll register with the wanderers guild
And be nomad with a billion words

You should be downstairs with them
You're wasting your time again

Listen I'm fine now
Listen I'm fine now
Listen I'm fine now

Listen I'm fine now
Listen I'm fine now
Listen I'm fine now

I don't want to talk right now
Thank you for your concern

(Whispering)

Air conditioning
You can stay quiet all night
