I can speak when I want to
pour my voice til it burns
Through the core of my own throat
speak until the demands gone

You should be downstairs with them
Your wasting your time again
Listen I'm fine now
I don't want to talk right now
Thank you for your concern

I can speak til the world ends
To make up for all that I left out
Register with the wanderer's guild
and be a nomad with a billion words

You should be downstairs with them
Your wasting your time again
Listen I'm fine now
I don't want to talk right now
Thank you for your concern

(whispering)

Air conditioning
you can stay quiet all night
air conditioning
you can stay quiet all night
Listen I'm fine now
I don't want to talk right now
Thank you for your concern
Listen I'm fine now
I don't want to talk right now
Thank you for your concern
