Ooh, ooh, ooh, yeah  
Is my microphone on  
One, two, one, two  
Is my microphone on, one, two

Ooh, ooh, ooh, yeah  
Is my microphone on  
One, two, one, two  
Is my microphone on, one, two

[CHORUS]

What you want me to do  
Put my foot in it  
What you want me to do  
Put my hands in it  
What you want me to do  
Put my butt in it  
Hey, hey, hey, hey

What you want me to do  
Put my back in it  
What you want me to do  
Put my head in it  
What you want me to do  
Put my tongue in it  
Do what you want, like that

Sitting at a party  
Nothing really jumping now  
Hey, hey

Girls just wanna kick it  
Guys just wanna stick it  
Can you tell me what to do  
Do da what, do da what  
Do da what

[Repeat CHORUS]

What you want me to do  
Put my back in it  
I don't know what to do

Put my head in it  
What you want me to do  
Put my tongue in it  
Do what you wanna do

We came out here to party  
Not to stand against the wall  
No, no

Party's acting real fine  
After the sing down  
What is a girl to do

Is my microphone on  
One, two, one, two  
Is my microphone on, one, two

[Repeat CHORUS]

What you want me to do  
Put my back in it  
What you want me to do  
Put my head in it  
What you want me to do  
Put my tongue in it

Do da what, do da what  
Do da what

One, O-T-G  
We're just kicking it  
It's a girl thing

Beneath the sign  
'Cause you missed the bus  
X is upon you  
Gonna bring you down  
Eyes so sweet

Do da what, do da what  
Do da what

[Repeat CHORUS]

What you want me to do  
Put my back in it  
I don't know what to do  
Put my head in it  
What you want me to do  
Put my tongue in it  
Do what you wanna do

Is my microphone on  
One, two, one, two  
Is my microphone on, one, two  
Is my microphone on  
One, two, one, two  
Is my microphone on, one, two

Is my microphone on  
One, two, one, two  
Is my microphone on, one, two  
Is my microphone on  
One, two, one, two  
Is my microphone on, one, two

Do da what, do da what  
Do da what

[Repeat CHORUS]

What you want me to do  
Put my back in it  
What you want me to do  
Put my head in it  
What you want me to do  
Put my tongue in it

(Do da what)  
(Do da what, do da what)  
Do what you wanna do

What you want me to do  
What you want me to do  
What you want me to do  
Hey, hey, hey, hey

What you want me to do  
Put my back in it  
What you want me to do  
Put my head in it  
What you want me to do  
Put my tongue in it

(Do da what)  
(Do da what, do da what)  
Do what you wanna do

Is my microphone on  
One, two, one, two  
Is my microphone on, one, two  
Is my microphone on

One, two, one, two  
Is my microphone on, one, two

Do what you wanna do

Is my microphone on  
One, two, one, two  
Is my microphone on, one, two  
Is my microphone on  
One, two, one, two  
Is my microphone on, one, two

(Do da what)  
(Do da what, do da what)  
Do what you wanna do

[Repeat CHORUS]

What you want me to do  
Put my back in it  
I don't know what to do  
Put my head in it  
What you want me to do  
Put my tongue in it

(Do da what)  
(Do da what, do da what)  
Do what you wanna do

Do da what, do da what  
Do da what, do da what...
