Early in the morning I put breakfast at your table
and I make sure that your coffee has it's suger and
cream
Your eggs are over easy and you toast is lighty
All that's missing is your morning kiss that used to
greet me
Now you say the juice is sour, it used to be so sweet,
And I can't help but to wonder if you're talking about
me
We don't talk the way we used to talk, it's hurting so
deep
I've got my pride, I will not cry But it's making me weak
I'm not your super woman
I'm not the kind of girl that you can let down and think
that
everything's OK
Boy, I am only human
This girl needs more than occasional heart as a token
of love from you
to me
I find my way through the rush hour, try to make it
home just for you
I want to make sure that your dinner will be waiting for
you
But when you get there, you just tell me, you're not

hungry at all

You said you'd rather read the paper and you don't
want to talk

You like to think that I'm just crazy when I say that
you've changed

I'm convinced I know the problem, you don't love me
the same

You're just going through the motions and you're not
being fair

I've got my pride, I will not cry Still I can't help but care

I'm not your super woman

Oh no, no, no

I'm not the kind of girl that you can let down and think
that

everything's OK

Boy, I am only human I'm only human

This girl needs more than occasional heart as a token
of love from you

to me

I'm not your super woman

I'm not the kind of girl that you can let down and think
that

everything's OK

Boy, I am only human

This girl needs more than occasional heart as a token
of love from you

to me

Ooh baby, look into the corners of your mind

I'll always be there for you, through good and bad
times

But I can't be that super woman that you want me to be

I'll give my ever lasting love if you return love to me

I'm not your super woman

Oh no, oh no

I'm not the kind of girl that you can let down and think
that

everything's OK

Boy, I am only human I'm only human

This girl needs more than occasional heart as a token
of love from you

to me

I'm not your super woman

No, no, no, no, no, no

I'm not the kind of girl that you can let down and think
that

everything's OK

Boy, I am only human I'm only human

This girl needs more than occasional heart as a token
of love from you

to me

If you feel it in your heart and you understand me,

stop right where you are, everybody sing along with me

I'm not your super woman

Oh no, oh no

Can't you see that I treated you so sweet,

From the kind of girl that can treat you so sweet,

but you got to realise that you got to be sweeter to me

I need love,

I need love, your love
