Koj Puas Hlub Kuv Taaj?

For your love Ill try  
You and me, Baby  
Each day and night  
Now Yeah  
You will be in my heart  
And always in my mind  
I will think of you  
Every moment every time  
When I go  
Will you let me be in you heart?  
Oh yeah, Baby  
I loved you from the start  
All my love til the next time  
Every beat from my heart is  
For you love

Koj puas hlub kuv taaj  
Lawm yog koj rua laam hab  
Lug txais kuv lub sab  
Yog tsis muas sab taaj  
Thov txhoj dlaam kuv  
Yaam taamlug koj hab rua kuv  
Kua nyaaj moog nyaaj  
Koj yuav tug rua txujkev hlub  
Kws ua kuv twjsab kawg kaus  
Yog koj hlub kuv  
Qha kua tseem

This time Baby  
There will be no doubt  
Show my love  
Cannot sing, cannot shout  
Out loud from my heart  
And from my mouth  
Kiss you over many times again  
Can I reckon what I had  
Tell me yea

Txawm taaj koj ua rua

Kuv twjsab los  
Huv kuv lub sab  
Kuv tseem hluv koj taaj  
Yog koj yuav hluv kuv  
Le koj taug has  
Kuv mab qheb lub  
Sab lug hluv koj

For your love Ill fight  
You and me, Baby  
All my strength and  
All my might  
Your love is like a charm  
In my heart all the time  
I will love you til the last breath  
End of time  
Can I be what you see?  
Very good very please  
Oh yea Baby  
Show your real love  
This moment that we must seize  
This is our chance now  
Show me how for you love

Kuv txhawm ib tug hluv  
Kws txawm uya rua kuv luas  
Puas kuv thaum kuv quas  
Qheb qovroj rua kuv  
Hluv kuv tsis kluas  
Txawm sab wb siv ntsib  
Pum kleebe nwg yeej luas ntxeev  
Nwg saib kuv muas nubqej heev  
Tsis pum kuv muas kev nyuaj sab  
Kuv txawm ib tug hluv le nuav

Please dont break my heart  
And promise me  
That youll love me  
With all your heart If you do, then me and you Will see,  
that our love will Grow and never die
