Elphaba:

I'm limited

(Just look at me)

I'm limited

And just look at you

You can do all I couldn't do, Glinda

So now it's up to you

(For both of us)

Now it's up to you...

Glinda:

I've heard it said

That people come into our lives for a reason

Bringing something we must learn

And we are led

To those who help us most to grow

If we let them

And we help them in return

Well, I don't know if I believe that's true

But I know I'm who I am today

Because I knew you

Like a comet pulled from orbit

As it passes a sun  
Like a stream that meets a boulder  
Halfway through the wood  
Who can say if I've been changed for the better?  
But because I knew you  
I have been changed for good  
Elphaba:  
It well may be  
That we will never meet again  
In this lifetime  
So let me say before we part  
So much of me  
Is made of what I learned from you  
You'll be with me  
Like a handprint on my heart  
And now whatever way our stories end  
I know you have re-written mine  
By being my friend...  
Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a sky bird  
In a distant wood  
Who can say if I've been changed for the better?  
But because I knew you  
Glinda:

Because I knew you

Both:

I have been changed for good

Elphaba:

And just to clear the air

I ask forgiveness

For the things I've done you blame me for

Glinda:

But then, I guess we know

There's blame to share

Both:

And none of it seems to matter anymore

Glinda:

Like a comet pulled from orbit

As it passes a sun

Like a stream that meets a boulder

Halfway through the wood

Elphaba:

Like a ship blown from its mooring

By a wind off the sea

Like a seed dropped by a bird in the wood

Both:

Who can say if I've been

Changed for the better?

I do believe I have been

Changed for the better

Glinda:

And because I knew you...

Elphaba:

Because I knew you...

Both:

Because I knew you...

I have been changed for good.
