how can you see into my eyes  
like open doors.  
leading you down to my core  
where i've been so numb.  
without a soul  
my spirits sleeping somewhere cold  
until you find it there lead me back home.

(wake me up.  
wake me up inside.  
i can't wake up  
wake me up inside.  
save me.  
call my name and save me from the dark.  
wake up.  
bid my blood to run.  
i can't wake up.  
before i come undone.  
save me.  
save me from nothing i've become.)

now that i know what i'm without  
you can't just leave me.  
breathe into me and make me real  
bring me to life.

[chorus]

bring me to life.  
i've been living a lie  
there's nothing inside.  
bring me to life

frozen inside without your touch,  
without your love, darling.  
only you are the life among the dead.

all of this sight  
i can't believe i couldn't see  
kept in the dark  
but you were there on front of me

i've been sleeping 1000 years it seems.  
i've got to open my to everything.

without a thought  
without a voice  
without a soul

don't let me die here  
there must be something wrong.  
bring me to life.

[chorus]

bring me to life.  
i've been living a lie  
there's nothing inside.

bring me to life
