[Big Pun]
Ey man but the hardcore created of the side of

Why keep all the war, shit store to seperate corridors
Songs drippin the art of war, sympanies by morely

We got it all, pore, the squad follows the protocall
Speakin of protocall, I'm the protocall, when you go to
war
Cause my death count amount to war overall, so don't

You can't handle the rock, I'm be standing a block
If you just hand me the glock

Everything was nice in the streets, advice of the week
Pack the biggest bottles of the pills on the shelf
