Bullet

by Wig

"There's a bullet in my head....

Brain Candy tastin' lead"

And the blood that soaks my tongue

I've never felt so goddamn young

That I just look and walk away

And I clean the mess

And lead the dog that dragged the shit

God knows we've (??? Can't understand this ???)

Oh my Jesus!

Where did I go wrong!

My life was my own

BUT not for long!

Now it's done it's over like this

Here I lay, the world's all glazed (?)

Everything is much too tall

--MORE-- Now everything seems nothing at all

Can't beleive I made the move

I can't beleive I took the dive

Now there's a bullet in my head

Oh my god, I'm still alive!!!!

(weird talking shit... maybe I'll decypher that later...)

There's a bullet in my head

brain candy tasting lead

warm blood that soaks my tongue

I've never felt so goddamn young

I'll just look and walk away

And I clean the mess

And leave the dog that dragged the shit

God knows we gave him our best

Oh my Jesus!

Where did I go wrong!

My life was my own!

But not for long!

Oh my jesus!

It was right in my hand,

--MORE-- But I couldn't hold on!

Kill me, kill me!

Kill Me (through some weird distorted mike)

(moans of agony and more weird talking shit)

There's a bullet

In my head

Brain candy tastin lead

In the blood that soaks my tongue

I never felt so goddamn young
I can't believe I made the move
I can't believe I took the dive
Now there's a bullet
In my head
Oh my God, I'm still alive!
Oh my Jesuyus!
Where did I go wrong!
My life was my own!
But not for long!
Oh mY Jesus!
Where did I go wrong
It was right in my hand
But I couldn't hold on
