written by John Wayne Wiggins - Anthony Smith -  
Michael Garvin

The season for the rodeo is over

And he's usually back home this time of year

But I haven't heard a word since he called from Santa  
Fe

Something in his voice said you were stealing him away

New Mexico -Have I lost him to your sunset

Do your mountains lift him higher than my love

New Mexico -Guess we'll have to wait and see

If tomorrow's gonna bring him back to me

He said he'd never seen a place more beautiful

And he talked of maybe moving there someday

Where the stars in the sky shine like diamonds every  
night

I wonder if he sees those stars in someone else's eyes

New Mexico -Have I lost him to your sunset

Do your mountains lift him higher than my love

New Mexico -Guess we'll have to wait and see

If tomorrow's gonna bring him back to me
