All the honies in the bathroom stalls  
Drawin' their lips and making buisness calls  
All the apothetic trust fund boys  
Makin' the rounds in their expensive toys

I don't wanna lose you to L.A  
I don't wanna lose you tonight  
I don't wanna lose you to L.A  
And all of the bright lights  
Oh all of the bright lights

You can hang another Prada sign  
While you're walkin' your dog on Rodeo Drive  
You can surgically remove your soul  
While you dream of your leading role

I don't wanna lose you to L.A  
I don't wanna lose you in the sun  
I don't wanna lose you to L.A  
And all of the big fun  
All of the big fun

Oh, how it starts to irritate, yeah  
Oh, but that's ok  
Cause the weather is great  
Oh everyday!

You might need a lawyer for your friends  
Hit all the spots cause he can get you in  
Introduce yourself to glam rock stars  
Give 'em a ride in your electric car

I don't wanna lose you to L.A  
I don't wanna lose you in the sun  
I don't wanna lose you to L.A  
And all of the big fun

I don't wanna lose you to L.A  
I don't wanna lose you tonight  
I don't wanna lose you to L.A  
To L.A

And all of the bright lights  
Oh all of the bright lights

All the honies in the bathroom stalls  
And all the apothetic trust fund boys  
In L.A  
L.A  
La La La La
