When I say I'm five foot two, I'm cheating
I wouldn't wear a hundred pounds all soaking wet
There's not a lot of me I know
I may be young, but even so
I'm telling you you ain't seen nothing yet

Chorus:

I got big dreams
I got grand schemes
Don't tell me life is tough
So what
Cool beans
Y'all can all stand back, I'm breaking free
'Cause this big ole world ain't ready for a little girl like
me

Tired of people saying what I can and can't do
Pushing me around, running my show
My time to shine has finally come
I'm dancing to a different drum
Won't let any old Joe tell me where to go

Chorus:

I got big dreams
I got grand schemes
Don't tell me life is tough
So what
Cool beans
Y'all can all stand back and let me breathe
'Cause this big ole world ain't ready for a little girl like
me

Can't stop
Me from being me
I'm not
Gonna be
A victim of
Mediocrity

Chorus:

I got big dreams

I got grand schemes
Don't tell me life is tough
So what
Cool beans
Y'all can all stand back, I'm breaking free
'Cause this big ole world ain't ready for a little girl like
me
Y'all can all stand back, I'm breaking free
'Cause this big ole world ain't ready
I'm gonna keep on rocking steady
No, this big ole world ain't ready for a little girl like me
