She's driving outside Providence  
She's on the outside lookin' in  
She's finally figured out  
Just where she's going

Her momma says that she's insane  
Her daddy swears a boy's to blame  
She's never see the truth  
So clear before this

'Cause there's a world  
Outside Providence  
Somewhere to spread  
Her wings and fly  
She's taking chances  
Life begins again  
Somewhere  
Ousted Providence

A hula man sits on her dash  
Beside a Rand McNally map  
She circles places that  
She's always heard of

'Cause there's a world  
Outside Providence  
Somewhere to spread  
Her wings and fly  
She's taking chances  
Life begins again  
Somewhere  
Ousted Providence

She plans o see the Hoover Dam  
And the world's biggest frying pan  
Open to anyplace  
Outside Rhode Island

'Cause there's a world  
Outside Providence  
Somewhere to spread

Her wings and fly  
She's taking chances  
Life begins again  
Somewhere  
Ousted Providence

Some things in life don't last  
With pieces of the past  
Someday she might be back  
But not tomorrow

'Cause there's a world  
Outside Providence  
Somewhere to spread  
Her wings and fly  
She's taking chances  
Life begins again  
Somewhere  
Ousted Providence
